2. Stud Game Breeders, its agent or the Auctioneer are prohibited from bidding on any of the Owner's / Seller's goods sold by auction. However, individual Sellers may bid on other Sellers' goods.
3. These Rules of Auction comply with Section 45 of the Consumer Protection Act, Act 68 of 2008 (“the Act”) and the Regulations of the Act as amended.
4. A sale by auction is complete when the auctioneer announces its completion by the fall of the hammer, or in any other customary manner, including a digital stopwatch, and until that announcement is made, a bid may be retracted.
5. When goods are put up for sale by auction in lots, each lot is, unless there is evidence to the contrary, regarded to be the subject of a separate transaction.
6. The Auctioneer will during the auction announce the reason for the auction unless the auction is conducted for the normal and voluntary disposal of the Owner's / Seller's goods.
